Coffee 2016 Deluxe Wall Calendar

Synopsis

Dan DiPaolo hopes his art helps bring people together. The best way he knows to do that is through laughter, which is why he puts a little whimsy in everything he creates. Dan's art inspires not only smiles, but the desire to share the good feelings that come from them as well. A different piece of coffee-related art on each of its sixteen large monthly planning pages adds a decorative touch to this perky tear-off calendar pad that's the right size for a kitchen counter or office desk.

Customer Reviews

This is a fun, overly dramatic, HIGH QUALITY coffee calendar. It came in a matching envelope in the same high-grade paper, and the envelope was so nice I told my husband I felt like I should save it because it felt too nice and too pretty to throw away. I guess that's a waste of paper, but it sure felt pretty getting to open it. Each month I feel a bit giddy getting to turn to the new month and then wait for friends to see the newly unveiled image and often quirky text for the month.

I love his calendars. Have had his calendar wall art for at least 6-7 years now

Great calendar with simple coffee-related pictures perfect for a kitchen. Monthly blocks the right size for noting dates and birthdays. Very impressed with the quality and the price.

Second year buying this, it's adorable and whimsical- in a grown up kind of way. Nothing bad to say, it's everything I'd want for a kitchen calendar.

Wish it at least had January 2017. Having for months of the previous year isn't particularly helpful.

Love this calendar almost as much as I love coffee, ok maybe not that much. But it is very nice.

I buy the Lang Coffee wall calendar every year. Love it.

Love the quality of this calendar, would definitely buy calendars made by this company again.
