Customer Reviews

This calendar has been on my Christmas list for quite a few years. My daughter loves it. Pictures are painted with coffee. Pages are large with nice squares to write all of your important dates. Made of high quality paper. Comes in a nice gift envelope. Highly recommend.

This has all 12 months and all 365 days of the year, so it gets 5 stars. Do be aware this is on a heavy duty linen type paper which is very nice, but a ballpoint pen won't easily write on it. You'll need a fine tip magic marker if you wish to make notations on it. Has all the usual holidays on it, but I was disappointed to see that my birthday is not yet a national holiday. Maybe when I die it will.

Awesome calendar. The material is very strong and glossy. It looks and feels expensive.

Great kitchen calendar. the coffee motif is great and the calendar is functional. Though works best

when you use a fine marker when writing in games, appointments, etc. whatever you need to be reminded of on the calendar.

Great calendar and otherwise exactly as expected

Bought this last year in the mall and was so happy to find 2017's on ! The colors/graphics are a nice color scheme. The only con to this is this years the hole is not a grommet. It is just punched out whereas last year had a metal grommet so I hope it holds up.

love this calendar...buy one every year and will buy it again for 2018...perfect for the kitchen, next to the coffeepot!

This is perfect for keeping track of busy schedules. There's lots of room to write for each date, and it's a nice big calendar. The artwork is terrific! Mine hangs in the kitchen and brings some fun coffee pictures to the room. Great item. Very pleased.
