MILLIONS NOW LIVING WILL NEVER DIE!

Synopsis

A public talk titled "The World Has Ended; Millions Now Living May Never Die" was first delivered on February 24, 1918 in Los Angeles, California. Just five weeks later, on March 31, 1918 the title was changed to indicate absolute certainty and the word "May" was substituted by the word "Will". So the new title became "The World Has Ended; Millions Now Living Will Never Die." The public talk continued to be delivered under that same title until 1925. The material in that talk was published in 1920. For decades Jehovah's Witnesses believed that they would never die in this system and that they would simply pass on into a righteous new earth.

Customer Reviews

I did not realize it would be a copy.

I would recommend this book to anyone that wants to know how tto get everlasting life!!!!There was alot of good information on how to live your life.

It's wonderful to have access to this iconic work. The message is timeless. I didn't like to see advertising included though.

This book explains the Jehovah Witness beliefs and how they are supposed to work in the world we live in. It is different from any of our current religions.

Very well informative information about the bible. Strong conviction and proof of scripture backing and supporting believe. Does go off old king James. Have to use your own reference bible to help.

This is a beautifully written publication. During it's time it helped literally millions to find comfort in the scriptures. I'm glad to add this to my library.

Book is what I was looking for. Very poor reproduction. Looks like someone photo copied the original and reduced it to fit in a pocket, it is too bad. This is a fantastic read.

This review applies to ISBN 978-1411628984. Buyer beware! There are inferior editions offered by other publishers. This edition is a photographic replica of the original booklet, not a poorly-executed OCR product jam-packed with errors. The KINDLE edition is a cheap, shoddy version, it is NOT an e-version of ISBN 978-1411628984. Apocalyptic cults need an apocalypse, and they need for it to be imminent - not too close, but certainly not too far away. When the Watchtower Bible & Tract Society (Jehovah's Witnesses) first published this screed, it was offered for consumption as the guaranteed Word Of God. Years later, when the predictions failed to come to pass, the Watchtower Society blamed the overactive imaginations of their readers for any misunderstandings. Which was it? Did "Judge" J. F. Rutherford speak God's truth or not? Did 1925 mark the beginning of a "great jubilee" on earth? Did 1925 witness the "return" of Abraham, Isaac, Jacob and the faithful prophets of old? Anyone interested in what the Jehovah's Witnesses are teaching TODAY owe it to themselves and their loved ones to examine what the WTB&TS was teaching in the past. There are times when past performance is an indicator of likely future results.
