Burrows On The Dead Sea Scrolls: An Omnibus Of Two Famous Volumes: The Dead Sea Scrolls / More Light On The Dead Sea Scrolls

Synopsis

The discovery of the Dead Sea Scrolls constitutes the richest find of early Biblical material to be made in recent history. "Burrows on the Dead Sea Scrolls" is an omnibus edition of two significant volumes on the story and implications of this discovery. In "The Dead Sea Scrolls" Dr. Burrows relates the compelling account - of the discoveries, of the attempts to date the manuscripts, of their content, and of their significance. The sequel volume, "More Light on the Dead Sea Scrolls" (with a master index for both books), continues and expands the intriguing story of the meaning of these important documents and their significance to religious history and Biblical scholarship. Additional translations by the author are included.
