Used mostly for healing Chants from the Psalms

This is just wonderful to read anywhere. For me it's particularly useful when I'm in a ridiculously long line and losing patience, this is the book that brings me back to Zen. It's a real pick me up. My only criticism is that if you are using the 'text to speech' mode (of course in public I would be using an earpiece or reading) on the kindle, then the orator also reads out the number of the verse, which can be very distracting when you are focusing on the message and it breaks up the sentence. However, if you're NOT using the 'text to speech' mode then GREAT!

I bought it and elderly friend that suffers from arthritis and cant hold a complete bible. she is so very happy. thank you

Perfect gift for nursing home residents. I always include one with the Christmas gifts our church supplies at our local nursing home.

can read it much better than reg. print

For the price, Dover delivers as always. If you truly want a book of psalms without any frills...this is it! It is printed on grainy paper rather than smooth paper if that is any concern. Tightly bound and print size good.

You can tell it's imitation leather - but other than that it's fine. This was a gift for my father in law who is 89, so the large print is great. The size is just right - easy to carry and read.

Good bold print and a bargain
