Customer Reviews

Allan Fowler is the author of several nonfiction books for children.

Very good, easy to understand book; just a bit overpriced in my opinion.

educational.

Good time coloring for the grand kids.. Extremely enjoyable

My two grandsons (5 and 3) love this book!

Great service & Product

Good for children

Great little book

My daughter is all about rainbows right now and she loves the pictures, and when she gets old enough to read, this will probably be one of her first reading books.
