Customer Reviews

An excellent event by event trip through biblical study. A good companion to the study of scripture. Best used along with the Bible in chronologically studying biblical events. Excellent reading guides and timeline charts.

Great study guide. Would recommend this to others.

exactly what I wanted and expected. better condition than expected. I am really enjoying the book. very reasonable cost. thanks

This was just what I was looking for. I wanted a way to read the Bible in the order in which it was written. The book provides that as well as some interesting historical information and reading guidance. I have enjoyed it!

Nice reference. Easy to look up time lines and historical references. Would recommend for someone trying to get a better understanding of the historical aspect of the Bible.

A good study companion to the bible, helping to put facts in a relative chronological order.

An excellent resource for any student of the bible.

i like it
