Indian Tribes Of North America Coloring Book (Dover History Coloring Book)

Synopsis

This book contains 38 carefully researched, accurately drawn illustrations of the aboriginal inhabitants of North America, ranging from the Seminole of Florida to the Chilkat of Alaska. Other tribes represented include the Pequot, Mohawk, Iroquois, Seneca, Crow, Cree, Cherokee, Choctaw, Huron, and many more. Chiefs, warriors, women, and children are shown in authentic costume among tepees, pueblos, and other traditional dwellings; many are depicted hunting, making war, dancing, and cooking. Detailed renderings recreate their weapons (knives, clubs, axes, bows and arrows, etc.), basketry, masks, canoes, and sleds. Ideal as an educational resource (and an invaluable source of royalty-free illustration as well), this coloring book also offers hours of stimulating entertainment to anyone who desires to recapture the color and drama of Indian life.

Customer Reviews

I happen to work with a Pawnee American woman. She was thrilled to see the caption below the picture. I take on faith that the rest of the material is as accurate as the Pawnee info is. It arrived promptly and in good condition.

We use a lot of dover coloring books, I keep them on the bookshelf and make copies for the kids to

color while we're doing read aloud. Dover is wonderful because I can usually find something to go along with what we are ready and they are accurate. Easy enough for my 5 year olds to color but detailed enough that my 9, 11 & 13 year old enjoy coloring too. This book does not have all the tribes but does have a lot! Would buy again.

I am Native American and I loved this coloring book. I got it for my birthday. I just wish there were more tribes in this book. I know it's a small book and there are hundreds of tribes out there. But it is beautiful done and the information provided is wonderful.

Great product, great price 2 day free shipping with Prime at my time of purchase made it an even better deal.

It's a very nice coloring book with good illustrations of various types of Indians. It was just what I was looking for.

I think the boy I bought this for for Christmas will enjoy it and also learn important curricular things. He says that interesting coloring books help him keep self-control. This has nice illustrations and good text.

Love the big pictures and the info that comes with them.

Excellent pictures; very informative.
