Book by

nice calendar - great photographs

I have owned several calendars by Edward Curtis, but lost contact with the company is used to purchase them from. I was so happy to come across another source to get my calendars from. The calendars have such beautiful pictures and information. They look as if they can come off of the page. I would encourage anyone who is a fan of Native American pictures to purchase this calendar, being of Native heritage I feel as if these calendars do us justice.
