Book is small and short. Having been raised in Chicago I love to gift these to friends and family who are not from here! Or even if they are just spreading the hometown love.

I bought this book as a gift for my brother and sister-in-law's shower. They both loved it, my sister-in-law especially, who has only been to Chicago as a visitor. Personally as a native of the area, when I read through it, I thought it was cute, but I had wanted to like it more. It is great book for the little ones though.

Wonderful and interactive read aloud about Chicago!

A sweet and simple way to introduce your child to Chicago. Each page has you saying goodnight to a different place or sports team from Chicago. Places such as the Ferris wheel at Navy Pier, Millennium Park, White Sox, and Bulls.

Wonderful day in Chicago!

Love, love, love this book series!!! The pages are so interactive and I love being able to read to my child about all the places we have been.

I bought this book for my daughter before she was born. We have been reading it together for over a year now, and she still loves it. I used to live in Chicago, and I think this book gets all of the highlights of the city. It's fun to look at it with her and then share my own stories of the city with her. I have also bought this book as a gift for friends in Chicago. Great buy!

Love these books to remind our kids of our trips to where mom and dad are originally from. Fun way to familiarize them with our roots and helps them to recognize things when we travel again to these locations.
