Beautiful shoes and I buy this every year. I also buy the large one, 365 days of shoes! I love this, and if I don't like the shoe, I just use a few of my fav's from previous year, and cut the date and then I am never seeing a a unattractive shoe of the day! I highly recommend it, as I don't change often.

If you or someone you know is a shoe lover, this is the perfect calendar! It has become an annual

purchase for the past 9 years. It is very comprehensive, shoes from the 1800s to shoes from last year are shown.

Bought it for my shoe obsessed other half ... she loved it, I'm in the good books, so I love it! If you have a shoe addiction I'm sure you'll love this. If your other half has a shoe addiction I'm sure they'll love this. If you have a shoe fetish, I've no doubt you'll love this ... and probably in more ways than one.

I've been buying these page a day gallery calendars for years, they are such beautiful desk top calendars. At the end of each year I like to recycle some of my favorite images by framing them so all you see is the shoe itself and not the date or text. I have used the framed shoe images to decorate my closet and dressing room and framed island photographs to decorate my bathroom.

I am a shoe horse. Love shoes. This calendar on my desk makes my day as I change the date. The shoes are photographed beautifully. There are unique unwearable styles but lovely to look at.

This calendar is so fun and cute! For less than \$3 it adds a little brightness to my boring work desk. Love it!

Have purchased one every year for 4 years. Always look forward at the start of my work day to see what quirky shoe will be that day.

Fantastic! Arrived ahead of time!                     Lovely shoes. Can't wait for 2018 calendar to be published. The stand that holds the calendar is truly unique and so clever!
