Sloths Wall Calendar 2017

Synopsis

These guys are born to hug. From Lucy Cooke, the "Steven Spielberg of sloth filmmaking" (The Atlantic), the SLOTHS CALENDAR celebrates unabashed cuteness with a year of the creatures that have been cultivating quite a following (watch out, kittens and puppies!) with their furry, slow-moving, and bizarrely adorable ways. Each month is a fullcolor photograph that captures sloths'™ sweet spirits and laid-back appeal. Here they are in baskets. In trees. Sniffing flowers. In cuddly sloth piles. And just hanging around upside down. Charming captions offer sloth facts, along with a glimpse into life in the sloth sanctuary.

Customer Reviews

British filmmaker and zoologist Lucy Cooke has been called "the Steven Spielberg of sloth filmmaking" (The Atlantic). She is the woman behind Animal Planet's™ Too Cute! Baby Sloths, the author of New York Times bestseller A Little Book of Sloth, and the founder of the Sloth Appreciation Society. Find her on the web at slothville.com.

SLOTHS! CUTE! Um... I'm not sure what else to say... it's like a calendar and stuff so it tells you what day it is and you can write stuff on it. You know how calendars work, right? So... SLOTHS!!!! CUTE!!!!

I love sloths and got this for myself. The pictures are super cute and make me smile- I'm looking forward to seeing a new sloth every month! Good quality calendar with great pics & fun facts. Love

it!

Sloths happen to be my favorite animal. Last year I had a calendar with sloths and it delivered a smile each month so I had to get this. Happy to have the 2017 one!

I saw this in a big books store (BAM) but didn't want to pay what they were asking. I got mine on for a very good price. It's very cute.

I bought this calendar for a friend of mine for her birthday and it was truly a hit. Cat and Dog calendars are in abundance but rarely do you see a Sloth calendar, I had originally seen this calendar on an upscale website and decided to look on to see if I could get a better price and luckily I got a much better price! The calendar is just as expected and cute as can be, it comes wrapped in plastic and was a huge hit with the friend I purchased it for, I would recommend this product.

Incredibly cute. Beautiful pictures. We owned the 2015 version. We promised ourselves last year we would not cheat and waited every month to see a brand new adorable photo. We look forward to doing that with this calendar as well.

4th year in a row for the Sloth Appreciation Society calendar. They are cute as a button, second only to puppies.

Some seriously cute sloths. Great high quality images, and the calendar held up all year.
