## Customer Reviews

wish it had "tabs" with the alphabet letters for each section

Pretty and has lines for Name, address, phone, and e-mail address. I only gave it a 4 because there were no tabs with the alphabet letter on them to help you quickly find names.

Very nice, just wish it had the alphabetic side index like my old one.

Every nicer then expected - arrived on time - packaging was perfect. colors are brilliant - book size is good

One place for addresses, phone numbers, emails and especially included birthdays.

Hard to find a phone book these days. This is great!

Very pretty address book. Makes a great stocking stuffer.

made a nice gift to my aunt
