The Iliad (Kingfisher Epics)

Synopsis

Kingfisher Epics are action-packed retellings of classic tales and legends, with all the exhilaration and immediacy of their original versions. Magnificent black-and-white illustrations bring the heroic deeds depicted in these stories dramatically to life. These stories have enthralled readers for centuries, and Kingfisher Epics make them accessible to a new generation of children. When Helen is kidnapped by Paris, a Trojan prince, the Greek army lays siege to Troy. The Iliad tells of the nine-year war for revenge, thrillingly recounting the fierce battles between both armies' greatest warriors. This dramatic retelling of Homer's epic story retains all the excitement of the original.

Customer Reviews

Science Daily If you are interested in a modern recording of an ancient classic, then I would recommend this without reservation. After listening to Lombardo, he has won me over and I'm a big fan. Rating: 5 out of 5 stars

Nick McCarty is a playwright and scriptwriter whose credits include The Wolf Road and series for UK television. Nick has written many plays and book adaptations for radio. Victor G. Ambrus illustrated James Herriot's Dog Stories for St. Martin's Press and The Iliad for Kingfisher.

Great book!! am ten years old and think it is very easy to read but with good language. I don't understand how someone couldn't like it. Anyway great book and I hope more people like it. It's a lot of fun!!

Excellent

This book is easy to read. I bought this for some students who would not enjoy reading the Iliad otherwise.

This is a great primer for the epic poem. I enjoyed this version of the Iliad-much easier to get through all the battles and fighting!

I thought perhaps a children's version would be a good way to do a 'cliff notes' summary of the Iliad - but this was the WRONG book to use. You needed a full knowledge of all mythological figures to follow as well as very disjointed story. Would not recommend.

I realize The Iliad can be a difficult read, even in a good English translation. And I realize that adaptations are necessary for younger readers. But this adaptation is not well-written at all. The prose is wooden, more a recitation of events than the retelling of a great story. My sixth grader was assigned this version to read at home. My wife and I agreed that it's not engaging at all. No wonder kids don't want to read the classics, if this is the kind of introduction they get.

ILLIAD SUMMARY THE ILLIAD WAS A GOOD BOOK. THE STORY BEGINS WITH THE GREEKS AND THE TROJANS GOING TO WAR. THEY WENT TO WAR BECAUSE PARIS, A TROJAN, SAILED AWAY FROM THE GREEKS WITH HELEN. THE TROJAN HORSE WAS BUILT AFTER TEN YEARS OF WAR AND WAS THE KEY TO DEFEATING THE TROJANS. THE TROJANS WERE FINALLY DEFEATED AND THE GREEKS SAILED HOME TO ITHICA. THE WAR WAS A LONG AND BLOODY ONE.
