I've been a member of Delfim's Facebook group for awhile and always knew he had great information and tips to share, so when he announced he put a DIY Kindle book out, I just had to get it! WOW! This is awesome! What to pick with keywords, how to get your cover designed, how to pick a niche, even a basic HTML how-to included to help your write awesome descriptions. What I really liked were the screenshots in the eBook as well as links to his videos on youtube and other sources to help get even more information. Well done!!
