Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

This is not a mini sized calendar so I can't display both the top and bottom at the same time, which is a shame. At least there are designs on the calendar part as well, so I can see and color those plus the month letters. I like the designs a lot, though, and enjoy coloring it over the month. No flowers like pictured on the cover here, it's just patterns.
