Accord Publishing is a Denver based publisher of fun and interactive children's books.

For the last two years, the Cross-Stitch Day-To-Day calendar has been less than half the old size. It is not a pattern a day, it is a pattern every 2 days. I miss the old calendar, they certainly didn't lower the price even though there are less patterns.

The patterns are great and easy to do.

Purchased this calendar for my daughter for Christmas. As soon as all the presents were opened I saw my daughter sitting in a chair with the calendar open looking at all the patterns. My daughter loves to keep these patterns for future projects.

This calendar is a must every year I buy it for a friend and myself every year. The way they do the calendar now I really like it was difference before. There is a lot of beautiful cross stitch.

Partially my fault for not paying enough attention but this is a 2012 Calendar not a 2013 Calendar. Won't do me much good now will it. Don't know why it was still available.

This is a great desk calendar and it is nice to look at it and dream about cross stitching in the near

future.

I wish they still made these calendars they were my favorite. Quick easy patterns, lot's of themes through out the year. very compact.
