This calendar is so much fun to use to make quilts. Every day is a new block to a quilt. Lots to do. Color pictures with directions on how to do each block. There are so many quilt patterns. I purchased 5 so that I could give them as gifts for Christmas to my dear quilting friends.

This calendar was purchased and given as a gift to a quilter! I have given this calendar to several quilting friends that have loved the variety it gives and ideas,

I love these quilt calendars; especially that they are loose leaf and I can take each one out and look it over! I have bought them for myself and friends for about 3 years now so I really must like them :)

I have purchased this calendar for many years. I wish they would bring back the heavier box/stand,

but it is fun for the hobbieist and the serious quilter who has to make every quilt in the box! Nice gift idea for the quilter on your list!!

It was "okay" but really didn't find anything new or any design I "couldn't live without". Actual calendar is done well... just didn't meet my needs.

My Grandmother used to quilt a lot. She really enjoys looking at the blocks and patterns. She looks forward to this gift every year. If you have a person you know that quilts (or used to) they would like this gift.

I buy this desk calendar every year for myself and one other person. This year I added another person to my list. I love the quilts daily and look at the calendar everyday when I sit down to check email.

I love most of the patterns from the calendar and put them in my file for future reference. ever since a friend of mine got this for me a few years ago, I love keeping it in my craft room.
