I am a watercolorist and a fan of Diane Phalen's so defiantly wanted her quilt calendars this year!! My mother and I are also quilters and love her pages as the quilts are displayed in her art work. What nicer gift to give a watercolorist or quilter than one of these beautiful calendars. For the next twelve months we can enjoy a new quilt and watercolor painting as the year goes by. My calendar came from so get yours quick before supply runs out...you will love the bright colors and wondrous pages.Â Quilts From A Painter's Art 2014 Calendar

I just received five calendars by Diane Phalen and was very happy that they arrived here before Christmas. Most of them were very beautiful. However, one of the five calendars was unwrapped and had a sticker on the front that said, " Sample Copy". The corners were also worn. This is not the kind of service I have received in the past and expect when I order from .com

I absolutely love Diane Phalen's work and purchased this calendar for my friend. She was thrilled with it. Diane's attention to detail is wonderful and I enjoy all her products. She carries a line of

cards, pictures, puzzles and now fabric. I hope more of her products will become available online.

Like the landscapes with added quilts to enjoy each month. Nice colors, wide variety of landscapes and quilts. Fun to look for details.

I have bought this calendar for several years..and I love the pictures. But the paper quality this year is very inferior. It is very thin and flimsy.

I love quilts and love this artist, so the calendar was wonderful and a 5 star rating. I would recommend this to other quilters.

Calendars keep you aware of the date of the day, the month and the year while they have space to keep track of your schedule. The pretty pictures above the month are all from paintings by Diane Phalen and have a quilt theme to them. Since this is about Ms. Phalen's paintings, rather than a quilt artist, wouldn't it be nice if they were also made into puzzles? I am a puzzle nut and this would be great fun - two of my favorite things --- quilts and puzzles. Sized at 12" x 12" with large squares to write you activities in, this calendar will keep you organized. The paintings are at the top of the page. A month before/after calendars, along with one square containing information about the painting are also included. If you are looking to keep organized with paintings without any quilt patterns, then this will fit the bill.
