The Stupid Crook Book

Synopsis

Straight from police blotters across the country, The Stupid Crook Book chronicles idiotic criminals and their foiled attempts to turn a quick buck or cause general mischief. In this hilarious volume, witness stories about dopey crooks such as: A former convict robs a bar to get cash to feed his drug habit. Unfortunately, he lives above the bar in question, and the victim of his crime - his landlord! A man is stopped for speeding in Oklahoma and pleads with the officer not to give him a ticket, IF he finds drugs in the car. A pizza delivery guy is robbed of his pizza by two men - the same two men who called in the pizza order. A neat-freak thief leaves his personalized shoeshine rag at the scene of the crime...and more! Leland Gregory presents tales of clumsy crooks who are more likely to shoot themselves before getting their guns out. Funny, and kind of sad, The Stupid Crook Book is a treat for young adult listeners.

Best Sellers Rank: #35 inÂ Books > Audible Audiobooks > Humor > Jokes #1262 inÂ Books > Audible Audiobooks > Nonfiction > True Crime #1654 inÂ Books > Humor & Entertainment > Humor > Jokes & Riddles

Customer Reviews

My sheriff loves this book. Great for long drives

I bought this for my cousin in prison. He said it was funny and made him feel "a liittle better" about his own stupidity!

The criminals in this book definitely make a person feel smarter. There's only one or two stories on each page so while shorter than it may first appear, it makes for a very easy read. The puns at the end of each story are definitely groan-worthy and make it only tolerable for a handful of pages at a

time. Would make a good bathroom book.

I bought this for a gift for someone hospitalized. I skimmed it, and it seems like good entertainment.

This is a great book to read before bed. It is easy to read, short stories so you can put it down as soon as you start getting tired, and the stories do not make you think hard which could keep you awake.

great book, very good stories. very funny. u realy can't believe how stupid some people are, this book makes very good reading

If you liked America's Dumbest Criminals: Wild and Weird Stories of Fumbling Felons, Clumsy Crooks, and Ridiculous Robbers, you'll like this (I actually like this one even better). It is actually a little frightening that whole volumes can be compiled of the complete foolishness of people. There were a couple of times that I laughed so hard, I dropped the book and lost my place. I didn't mind though, it gave me a chance to re-read some of the funnier stories while I found my place (fortunately, I didn't drop it again while re-reading). This is a great book to read at night, so you can end your day with a great laugh. Have at it, it's worthwhile!

Another reviewer mentioned seeing this book on The Today Show. I saw that too. Al Roker was cracking up over it. This is the type of book I refer to as a "booty-sleeper." That's what I call a bathroom book* that is really too compelling to be a bathroom book, because it holds your interest so long you forget you're on the toilet until your bum falls asleep. Like Leland Gregory's crazy-911-call books (also booty-sleepers), The Stupid Crook Book is just really funny and stupid and highly amusing. It's unsettling to know there are people this dim among us, but I giggle almost continuously whenever I pick up this book.*For people who weren't raised with books in their bathroom: a bathroom book is any type of light reading consisting of small stand-alone pieces. It's a book you can open to pretty much any page and read a complete bit or bits within a minute or two--like trivia books, almanacs, collections of short-short stories or essays, and books like this one.
