Customer Reviews

This book interested me because Claude Gueux is similar to Jean Valjean (Les Misérables) and in some ways is an alternative version of Jean V. Claude Gueux, the character, is sent to prison for the same crime as Jean Valjean will be (stealing a loaf of bread), but he seems less sentient and the plot is limited to a story taking place in the prison. Victor Hugo's description of the prison environment at the beginning of the XIXth century makes one think that things have not changed since then. Since it was published before Les Misérables, I think it would be advisable to read it first.

I couldn't put it down. I read late into the night. It is hard, painful, glorious. You suffer with the "hero" every step of the way, identify with him, root for him.

Great book

I needed this book for my kids. They have to read it for their French school (we are French). Did they like it ? I don't know... But I suppose they like it as all students who must read books...
