Age Range: 10 and up

Grade Level: 5 and up

Customer Reviews

My fifth grade son used this book a lot for our homeschooling unit on Egypt. It was easy to read, yet had plenty of detailed information. A great book for upper grammar and the middle grades.

This is a great book. Written at a level a 5th or 6th grader would understand and with lots of good details. My son used this book the most in his research for his 6th grade Egypt project.
