"For those who find the books too long-winded and the films too noisy, this is the perfect way to assimilate the myth and magic of Middle-earth" Guardian --This text refers to an alternate Audio CD edition.

Frodo Baggins knew the Ringwraiths were searching for him--and the Ring of Power he bore that would enable Sauron to destroy all that was good in Middle-earth. Now it was up to Frodo and his faithful servant Sam to carry the Ring to where it could be destroyed--in the very center of Sauron's dark kingdom. From the Paperback edition. --This text refers to an out of print or unavailable edition of this title.

I ordered the unabridged version but I received the dramatized, abridged version. It's okay and my children still enjoy it but I am greatly disappointed because they are missing out on so much of the

elegantly written classic. Mine also arrived with a severe crack on the case.

This BBC radio dramatisation was much more enjoyable and entralling than a standard audio book would have been. It was very similar to the movie , indicating its professionalism. Highly recommended.
