Christian Science: The Revelation Of Christ

Synopsis

Christian Science is exact and scientific in its teaching about God and about Christ, and it declares unswervingly that their true nature can and should be understood practically and intelligently here and now, and indeed that to attain any measure of real health and salvation we must first follow the injunction to "acquaint now thyself with him [God], and be at peace".

Customer Reviews

I really like John Doorly's writings, but this feels like a section of a book. Very incomplete. Does not do honor to such a great thinker
