Customer Reviews

Pictures are nicely done on the calendar but what really bugs me is that the days are Monday to Sunday. Meaning the first day listed on the left of the calendar is a Monday, not a Sunday like most other calendars. I would not have purchased this calendar if I knew this before hand. I prefer my calendars to show the days Sunday-Monday-T-W-Th-F-Saturday, and this calendar shows the days as M-T-W-Th-F-Sat-Sunday. Also the holidays are not listed on the actual days. They're listed on the bottom of each month in tiny 8 point type so you can't glance at the calendar on the wall and see that tomorrow is a holiday. You have to go right up to the calendar and read that tiny list to find the holidays. All in all, if it wasn't for the pretty Ferrari pictures and the fact that it was only \$10, I'd return this because it isn't a very good calendar for my needs.

Quality pictures. Legit.

Nice calendar

I have Ferrari enthusiast at home and this was a Christmas gift for my son and he loves it. They have classy cars and photos in each month.

Great calendar! This is my 5th one. Good price. A lot of great pictures of newer and old school ferrari's!

Starting day of the week was Monday. A little confusing.

Beautiful cars. Love this calendar.

boring similar images each month.
