How To Have Your Second Comforter: A Personal True Story

Synopsis

A Personal True Story Anonymous Authorship (Author has declined any royalties on this title) Note from Author: This is no imaginary tale. You can part the veil and stand in the presence of God while you are still among the living. You can have this special gift called the Second Comforter. This experience is no less than to be an actual witness of Jesus Christ; to hold Him and touch the marks in His hands, feet, and side; to hear Him tell you who you are, and bless you. And then your education truly begins, as God unfolds to you the mysteries. I did not want to write this book but I was instructed to because it would help others. I am a witness of Him, but for now, I am to limit what I share and how I share it. The day will come when I and many others will stand in public, and before the world, to make it known that the day of the Lord is come. But at this time, my effort is to assist those who need to awaken and come to know the Lord.

Reading for the fourth time. Can't get enough of this book! Very insightful and informative thoughts

about scriptures and deeper meanings.

A must for all Christians

Much to think about. I am thankful for what he shared and appreciate his journey, however, I hope the reader will listen to the author's constant message that invites to seek personal revelation and guidance directly from the Lord in ALL THINGS. The author's story and truths should not be mixed with God's TRUTHS. And that takes personal responsibility and action in persistently knocking on God's door.

Far too often, I let my unbelief and my comfort bubble get in the way of my Savior and the unimaginable power he has to transform my life. Thank you for your courage to share!

This book describes the greatest blessings God can share with man. Anyone wanting a close personal relationship with their savior will love this book. Absolutely wonderful.

This book fulfills its purpose. The author tells how he reached this important goal, but he makes it clear that our paths will each be uniquely tailored to our needs by our Heavenly Father.

Absolute truth. Those that rely upon cookie cutter, one size fits all understandings of the way the Lord operates and speaks to us, His unique children, are missing out on a truly deep relationship with the Lord. This author's experiences have been confirmed as truth to me by the Lord. If one stands in His presence will He deceive you? No.

Absolutely amazing! The Lord commissioned this book to be written. Perhaps you will hear His call to you?
