Synopsis

Rayford Steele, his rag-tag team of flying rebels from around the globe, and his extended Tribulation Force would continue what Rayford called Operation Eagle. The Tribulation Force believed that Anti-christ and his minions were about to attack Israeli Christ-followers and that, when they fled, Rayford and his recruited fellow believers would serve as agents of rescue. Nicolae Carpathia, now the total embodiment of evil, desecrates the temple in Jerusalem by entering and declaring himself God. This explosive ninth book will carry the world to the brink of Armageddon.

Amidst the glitzy fanfare of a new world regime, control is unraveling for self-proclaimed god and Global Community potentate Nicolae Carpathia in Desecration, the ninth installment in the Left Behind series. It's 25 days into the Great Tribulation, and the newly resurrected Carpathia evinces an increasing fondness for gruesome killing. He's thrown into turmoil when the first two "bowls of wrath" from the biblical book Revelation are poured out on the world. Water turns into blood, and those who are branded with the mark of loyalty become covered with loathsome sores. When Carpathia commits the ultimate act of desecration against the Judeo-Christian community, chaos ensues. Meanwhile, the Tribulation Force soldiers on, receiving visitations from heavenly messengers that prod the team to greater acts of courage. Jenkins's characters seem almost comic book-like in their actions; the author relies on pages of slangy, slapstick dialogue rather than character development or descriptive settings to flesh out his tales. It's the angst of wondering what

disaster will occur next and the fascination with end times that keep loyal fans turning the pages. And there's no shortage of angst here. Chang Wong flirts with suicide. Hattie Durham risks her life in a confrontation with Carpathia. Tsion Ben-Judah inadvertently gives away a secret location. Chloe Williams uncovers a remnant of believers. There are touches of the standard Left Behind humor, and even some romance in the last days. As always, readers are left hanging at the edge of disaster, which should keep appetites whetted for the promised next installment. --Cindy Crosby

Tim LaHaye and Jerry B. Jenkins . . . are doing for Christian fiction what John Grisham did for courtroom thrillers. --Time

My wife and I read each book in the series as they were published, usually buying the hardback. Desecration: Antichrist Takes the Throne was one of the best-plotted stories, and it certainly kept us wanting the next book in the series.

Tired of hearing comparisons to The Christ Clone Series! While I have not read that series yet will have to say the Left Behind Series is quite remarkable. It is suspenseful, funny, and quite breath taking in its depiction of the end times. Definitely recommend this to all. It has been a long read but has been well worth it. Some very memorable moments, sayings, and teachings in it. It is a series we as Christians all need to read to understand a little of what is to come for this world. And to those of you who can't help but compare the two series, I say this: They are written by separate authors, each author has a separate style of writing!! If you have gotten o Desecration means you have read 8 books before it, how can you read 8 books if you don't like them?

Great book if you are reading the entire series. Be sure to start with number one. They are really awesome reading.

Great Book by Tim

I'VE ENJOYED THE ENTIRE SERIES. MY 2nd TIME THROUGH.

Lives up to expectations.

You must read this series!

I am an ordained minister and have followed Dr. McGee for many years. I cannot find a better author to provide study material for me. I only wish he were still alive so I could tell him personally, however, I do know that I will see him in Heaven. Thank you for continueing to provide his material to the public. Yours in Christ, Rev. Dale Oellerich
