Synopsis

Badrang the Tyrant stoat, the evil Lord of the Eastern Coast, has forced captive slaves to build his fortress, Marshank. Among these slaves is an indomitable young mouse called Martin who, together with his friends Felldoh and Brome, escapes from the fortress, aided by Rose of Noonvale and Grumm the mole. So begins a tale of adventure love, treachery and deceit. The action is fast and furious scattered with characters like Cap'n Tramun Clogg, Ambella and her Pygmy shrews, and the Rambling Rosehip Players. Customer Reviews

This series is the best read I have found in the last 15 or 20 years! It has drama, it has suspense, it has action, it has sadness, it has happiness, it has humor, there are so many things that this book has going for it! Yes it may be classified as a children's book, but I am not the only adult to read & enjoy & be hooked on this series of books. From page one, it grabs your attention & it never lets go till the end...but then it is really not the end because when you begin to read the next book, it too, gets you hooked from Page 1. I highly recommend this book & the series (22 books in all) to anyone, adult or younger, who likes a great story of how the hero saves the day with his charm, his humor & his bravery.

This is quite possibly the best book in the entire "Redwall" series. It is set in a time and place before

the founding of Redwall Abbey, and has all the elements of a good story. It has conflict, treachery, romance, adventure, and what might even be perceived as a dash of satire at points. Above all, his characters are more original and memorable in this than in most other "Redwall" books (particularly Felldoh and Grumm). These elements, combined with a unique ending, make for a tale that is equally enjoyable to readers of all ages. In short, this is the mark of a great author.

when i first started the redwall series a long time ago, i just read the first 10 pages and thought it was boring but then i gave it a go 3 years later and so far i read Redwall, Mossflower, Mattimeo, Mariel of Redwall, Salamandastron, And Martin the Warrior, my top 3 is Redwall, Mossflower, And Martin The Warrior, I just love this book not to give any thing away but this book is insanely Sad i couldn't even hold it in my 2 favorite characters died. this book will make you laugh, cry, and starve, trust me you will enjoy this book and the battles. how Martin is bound to kill Badrang, take back his fathers sword and also free all slaves out of these six books the top 3 sadest is Martin the Warrior, Salamandastron, And Mattimeo chronological order out of these 6 books is Martin the Warrior, then Mossflower, Mariel of Redwall, Salamandastron, Redwall, then Mattimeo. i recommend this book from ages 11 and up usually ten year olds take it really imature not saying that all do.

The real story of Martin!!!!!! So many previous questions are answered. Our family lives the books.

loved the book.

The Redwall series of books is well written and perfect for both young and young-at-heart readers. It's a fantasy set full of adventures of good versus evil, coming of age, finding bravery and friendship, reveling in poetry and song, and feasting as if at the end of a ten season famine! Brian Jacques crafted wonderful friends and heroes at Redwall Abbey, and you'll enjoy meeting them again and again!

fast & smooth... thanks!

I first discovered this actual book in 7th grade at a book fair. It got me out of having to read many books for the book program but got me lost for a month at a time. Now, at 32 I've rebought the series and am reading them to my sons. I love the different dialect, the descriptions of characters and places. Truly, my favorite! It's!
