The New American Bible (With The Revised Book Of Psalms And The Revised New Testament)

Synopsis

Uniquely American, this popular translation is the easiest to understand Catholic edition of the Bible. This modern translation was prepared by over 50 scholars to capture the thought and individual style of the inspired writers while still making this translation easy to use for all ages. The New American Bible is the perfect Bible for your Catholic family and friends, and these editions from Catholic World Press will make perfect gifts. It's the official Catholic Bible -- as authorized by the Bishop's Committee of Christian Doctrine. Special versions of the official Catholic translation with features for students and gift giving. Concise, authoritative notes Revised New Testament and Psalms Family register and full-color maps (2405 and 2406 editions only) Chronological listing of Christ's miracles and discourses List of the Popes Book introductions Cross references Footnotes Maps Presentation page Red letter (except 2401)

Customer Reviews

This is the current version used by American Catholics. I have two now. The first is getting marked up from my Bible study group, so we bought one for the family. It has several helpful indices for finding what passage you are looking for. Plus, the notations on each page are currently relevant in explaining cultural phrase and dialect that sounds awkward. The notations also explain places and people, making the reading easier. Handy edition, I highly recommend it.

This bible has the best reference material of any anywhere. The Council of Bishops spent 25 years

working over the text and providing scholarly notes and reference and cross references. Only thing that makes it a little difficult to read is the notes are in parallel columns and you sometimes have to find the follow on text. Great paperback for next to nothing in price.

Outstanding Bible! This version is updated with the latest translations of the oldest original texts available to scholars today. It includes cross references so you can actually see the Old Testament versus Jesus quotes in his ministry. It also includes commentary on difficult and contested verses that help to clarify common questions we have when reading the sacred text. This is a must have for Catholics or anyone who is studying modern translations of the Bible

Great for the Catholic kids in Bible study. It was required by our priest. These Bibles go out of supply around the time that school starts...so get one early, if you need one.

The revision improves an already pretty good translation. This is the translation used in Catholic liturgies.

Thank you for this updated version of New American bible. With new facts of Jesus from the writings found at Quaram.

So nice to read the Catholic version that I have never read before... I've read all the other Protestant ones- so happy to be back in the Catholic original historical beginnings of the Christian faith and learning about the church's catechism

The text is approved as a Catholic Bible. The binding is flimsy but for \$6 you don't get much. Perfect for RCIA
