A Christmas Secret (The Christmas Stories)

Synopsis

Dominic and Clarice Corde, who met and fell in love in Brunswick Gardens, journey to a quaint hamlet to replace the local vicar who is away on holiday. The holiday takes a nasty turn when the vicar is discovered not to be away at all, but brutally murdered and stashed in the cellar. So instead of fulfilling the vicar's duties, the Cordes are charged with solving his murder. All the while, the picturesque village is becoming increasingly and dangerously snowbound, its residents trapped as a killer remains at large. The crime's surprising solution reveals not only the killer, but the true meaning of the Christmas message.

Customer Reviews

Perry's latest short Christmas novel is a well-written if unsurprising period mystery, set in late 19th-century England. Reverend Dominic Corde and his wife, Clarice, are at a turning point in their lives; a chance opportunity has given Dominic the temporary position as vicar of a small village in Oxfordshire, substituting for the incumbent, Reverend Wynter. Their hopes that the position might become permanent are both enhanced and threatened when Clarice discovers Wynter's murdered corpse in the cellar. The resolution is not particularly complicated, but Perry does a nice job of weaving in themes of forgiveness and redemption without being heavy-handed. (Dec.) Dominic and Clarice Corde, minor characters who fell in love in Perry's Charlotte and Thomas Pitt novel *Brunswick Gardens* (1998), are called to the small village of Cottisham in Oxfordshire, where Dominic is to replace Reverend Wynter, who unexpectedly went on holiday right before Christmas. While fetching coal from the cellar, Clarice discovers the vicar's body in the second cellar. Some holiday. Although the local doctor says Wynter died of natural causes, Clarice and Dominic don't agree and begin their own investigation as snow blankets the village. What secrets did Wynter know that may have caused his death? Along with rummaging about in the villagers' closets in search of a motive, the sleuths also deal with Dominic's lack of confidence in his abilities to minister to his flock this Christmas season. Engaging characters, a vivid sense of time and place, and a cozy setting add enjoyment to this Victorian mystery. Sue O'Brien Copyright © American Library Association. Anne Perry is an excellent writer, unfortunately this digital book had pages missing. Many blank pages but missing content also.

After his poor beginning in the first book of the Pitt series it was nice to find Dominic had redeemed himself and become a good person.

I really like this book and it is worthwhile reading. All of Anne Perry's Christmas books add cheer and good intentions during the holidays. Look forward to her writing more Christmas novels.

Great product!!

She is a master at language, character develop and great understanding of the human heart!

Anne Perry writes a Christmas story each year - this offering features a young couple, Rev. Dominic and Clarice Corde who arrive at a village for Dominic to substitute for a cleric who has left abruptly. They are a loving couple want to do their best for each other, and do the best they can for their parish. When the 'vacationing' reverend is found dead in the cellar of the house, Clarice and Dominic set themselves to find out who murdered the rev.. It is a good whodunit, with the shades of the Victorian Era life. These Perry books feature members from the Monk and Pitt series - such as

Lady Vespasia, Charlotte Pitt's mother, Henry Rathbone - now the Cordes (Daniel was Charlotte's brother-in-law whose wife (Charlotte's sister) was murdered in the first of the Pitt series, Cater Street Hangman. Pitt solved this murder.) I read this book in one sitting. I am a fan of Perry's. and think this book will be enjoyed by all -

I like Anne Perry and her Christmas books are always a treat.

I read this story in 1 evening. It held my attention. Anne Perry has always kept me reading for long hours late.
