A Day At The Seashore (Little Golden Book)

Synopsis

A classic Little Golden Bookâ with a summertime theme! Nancy and Timmy hop out of their beds one summer morning and help pack their swimsuits and lunch. And then it's off to the seashore! In a charming rhyme, this Little Golden Book from 1951 (then titled *A Day at the Beach*) describes what preschoolers will find there: "You can catch little crabsâ if you're quick! You can draw great big pictures right on the beach with a piece of a shell or a stick." Oh, what fun! From Kathryn and Byron Jackson, authors of the popular Little Golden Book *The Saggy Baggy Elephant*, and Corinne Malvern, illustrator of the Little Golden Books *Doctor Dan the Bandage Man* and *Nurse Nancy*.

CORINNE MALVERN (1906-1956) was born in Newark, New Jersey. It wasn't long before she and her sister Gladys became well-known child actors. Later Corinne Malvern went on to study with Theodore Lukits at the Art Students League in New York City, and worked as an art editor of the *Ladies' Home Journal*. A prolific illustrator of Golden Books, Malvern is best known for *Doctor Dan the Bandage Man* and *Nurse Nancy*, as well as *Frosty the Snowman* and *The Night Before Christmas*, which are among the most memorable and beloved Golden Books. KATHRYN and BYRON JACKSON wrote hundreds of stories for Golden Books, including *The Saggy Baggy*

Elephant, one of the most beloved Little Golden Books of all.

In this Golden classic, two children spend a day at the shore. If you are a parent and born after 1985, you may be appalled at the freedom these children have during their day at the shore. This is another wonderful Golden Classic for those of us that remember the bicentennial or if you like older stories.

Very cute

I can see why other reviewers are smitten by this book, as am I. I bought this to read to my two little girls this summer in preparation for the beach, they loved it and were so inspired by the various ideas they got from the two adorable kids featured in the book . It is beautifully illustrated, sweetly worded and a sweet innocent classic.

A really cute little book about two kids and their adventures at the seashore with their dog. Cute illustrations, fun text. My 4 year old son enjoyed reading this in anticipation of our own beach vacation.

Bought this because I remembered it from my childhood. My grandchildren are less than impressed with it. I guess it serves as a clear indication of how times have changed.

Bought this classic for my little granddaughter. Another generation is enjoying these delightful Golden Books.

VERY GOOD

The book is not in good quality but I love the story and picture. Great classic for kids. It reminds me of my childhood growing up by the Caspian sea. I had a similar book as a child and loved it.
