I love all the millie books. Could not be more happier!

This is a nice guide to use for discussion with your daughter's. It makes you think about what the

right thing to do in certain situations is. Good, sound, Biblical moral lessons.

Millie's Life Lessons is a really good study guide/Bible study book. It has really encouraged my walk with the Lord. If you have read the Millie books then you should definitely get this book too.

This book is simply marvelous! It has helped me so much in my adventure of trusting in God! I have always wanted a good study guide that would help me grow a stronger relationship with God and this one has! I recommend this book to everyone! I am sure that God and you shall become great friends through this book!!! I have read nearly the entire Millie Keith series, and find them inspiring. This guide really tops them off! It is best to read Millie's Unsettled Season and Millie's Courageous Days first, because excerpts from the books are used in Millie's Life Lessons.
