Night Smoke (Night Tales)

Synopsis

#1 New York Times bestselling author Nora Roberts presents a passionate story from the thrilling Night Tales series. Arson investigator Ryan Piasecki was a man who got the job done no matter what the obstacle or how beautiful she was. Ambitious executive Natalie Fletcher's new business was going up in smoke, literally, and she needed Ryan's help to catch the arsonist. But if he wasn't careful, the sparks flying between him and this hothouse rose would erupt into a five-alarm blaze and they'd both be engulfed by the Night Smoke.

Nora Roberts is the #1 New York Times bestselling author of more than 200 novels. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. There are more than 400 million copies of her books in print.

Even when the Night Tales are combined to freshen the novels, you want to keep reading. In these series, a touch of supernatural caught my interest. The stories all connect with families heard from in successive novels. Loved the overlap, but wouldn't have missed out by beginning with the middle or ending novels. They stand alone. Humor and romance combine with mystery and supernatural. Spectacular!

I enjoyed the series.

Nora Roberts, for as many books as she has written, always offers new ideas and plots I believe she is one of the best writers I read.

Great ending to the series. Enjoyed all 5 books. I love reading what she writes! She takes me to the places she writes about.

This is one of Nora Roberts earlier stories. Don't think it was as engaging as her later books, it still was fun to read. Very enjoyable.

Totally riveting. This series has not disappointed at all. Ready to start the last book! Looking forward to reviewing it

Sorrily, didn't read series in order, but of the couple I have read, really enjoyed this one. Plan to read the rest as I can/

Natalie and Ry were from opposite ends of the financial world, but they had explosive chemistry in bed. This tale of arson will leave you as breathless as it did me. Sexy. A real nail biter. Have fun reading it.
