Every Woman's Battle: Discovering God's Plan For Sexual And Emotional Fulfillment

Synopsis

When does an affair begin? Not with the first forbidden touchâ | but with the first forbidden thought. Unexpectedly, you find yourself enjoying a powerful emotional bond with another man. You feel like you matter to someone again. And the door you thought was locked so firmly â “ the door to sexual infidelity â “ is suddenly ajar. The only way you as a woman can survive the intense struggle for sexual integrity is by guarding not just your body, but your mind and heart as well. Customer Reviews

It took me in a different direction of my thoughts. I was naive about myself, and about who I was. I'm so grateful my Husband encouraged me to read it, because we both thought it was to help me with

my husband's sexual addiction, but it was more about me, as a woman, and how God made me. I'm really enjoying the knowledge that I have learned, from this book. Thank you for caring Shannon.

This book was lame. Made way too many wrong assumptions about human nature.

Excellent book! Must read for every woman!

Great Experience would highly recommend

WOW! Is all I have to say! I wish I had this book many, many, many years ago....would've saved allot of heartache and mistakes. I highly recommend this book to every Christian woman out there. Shannon Ethridge brings up allot of things that we do and have no idea we are doing them, or maybe we do and gives scripture as to how God wants us to be. I plan on reading this book again and I already bought one and gave to a friend in a relationship and is at a loss, but this will help. I already know things I plan on changing in my life, to be the way God intended me to be.

Wonderful book for those women who want to lead pure lives and be true to their bodies. Great for Christian women to remember their integrity in a sex-filled world. Helped to teach me things about women that I didn't know (and I'm a woman).

(This review written by Anna, not Bubba! :))Every Young Woman's Battle changed my life as a teenager, and as a married woman, this book is a more specific encouragement toward purity and integrity on every level within my marriage. I am so thankful for this book series, and my kids will all receive copies at the appropriate times of life!It is always good to be reminded that even if you've messed things up, integrity can still be attained. No one is a lost cause!

This is an awesome book. I read the book a few years ago at the advise of a friend and now I am buying it to pass it along to another young lady in my circle.
