I love dogs and love the biblical quotes in this planner. Only issue I have is the month isn't marked, and I tend to look at the entire month and not week by week, I have to mark the months with my own stickers so I can go right to the month and the 2016 year, the monthly calendar has such light coloring on the dates, it was hard to see at first. Those being the only two things to really say that are a negative, the product over all is wonderful and I'll order a 2017 when the time comes.

I bought this because I have last years version and I loved it. Perfect size and I liked the dog stories, but for 2016 they printed it in light peach and light blue. Sounds attractive....but you can't read it! Maybe its just me, but I like the darker lines and print. I ordered a Blue Sky Planner to replace this purchase and I like it ALOT better

Wonderful daytimer.

Very hard to see the dates due to the poor choice of ink colors and I have found that it to be grossly over priced. Never again.Lloyd

THIS IS WONDERFUL - - BUT - - PRICE IS NOT CORRECT. REACHED OUT TO FOR CORRECTION AND STILL NOT CORRECTED. SHOULD BE \$7.95!
