Tao: Photography By Jane English And Calligraphy By Gia-fu Feng 2014 Wall Calendar

Synopsis

This marks the 24th year of the Tao wall calendar, which features contemplative nature photographs, Chinese calligraphy, and text from Gia-fu Feng and Jane English's translations of the Tao Te Ching and Chuang Tsu's Inner Chapters. The Tao Te Ching, the esoteric but infinitely practical book written in the sixth century B.C. by Lao Tsu, has been translated more times than any work except the Bible. Written in the fourth century B.C., Chuang Tsu's Inner Chapters is a companion volume to the Tao Te Ching. Chuang Tsu was to Lao Tsu as Saint Paul was to Jesus, and Plato to Socrates. The Tao Te Ching is one of the world's classic spiritual texts and a masterpiece of Chinese and eastern philosophy. Each month, text is paired with meditative black-and-white photographs. Amber Lotus calendars have been illuminating spirit in the world for 25 years.

Jane English was born in Boston, Massachusetts, in 1942. She attended Mount Holyoke College and received her doctorate in physics from the University of Wisconsin in 1970. Her books include *Different Doorway: Adventures of a Caesarean Born*, *Fingers Pointing to the Moon* and translations of the Tao Te Ching and Chuang Tsu: Inner Chapters, the two books she collaborated on with Gia-fu Feng.

Very well illustrated in black and white. Each month has a wonderful quote that really makes you think and brings into a day of living in the now. Makes me feel peaceful and calm to move forward

one moment at a time. Living in the now - brings inner peace and awakens one's spirit.

Again and again I buy this calendar series. The photographs are exceptional, the Chinese accurate, and the Taoist phrases under the black and white pictures are apt choices. Often I take apart an old calendar and pin some of the photo pages on my wall for inspiration.

These are some of the best works, they depict something from all religions and the art work is inspiring, beautiful to look at. Buy them every year for our son.

I get this calendar every year love it. The pictures are beautiful and the inscriptions are uplifting!
Goes very well with the decor in my bedroom
