Customer Reviews

LOVE LOVE LOVE the illustrations. Perfect decor for my desk at work. Is it a great calendar? Not really, since the numbers are squeezed in at the bottom of the page, but let's be real I didn't really buy it for the calendar. It would be nice to see a future version of this that actually functions as a usable calendar, but for now I just enjoy the gorgeous illustrations. It is nice that it's an 18-month calendar that starts in July 2017. I'll probably dismantle it and frame some of the pages once the year is out! Great gift for any animal lover (or yourself).

Is so beautiful! It's printed on good quality paper and I love looking at all of the animals everyday!
