The Amazing Bible Factbook For Kids

Synopsis

What better way to present the fascinating facts, trivia, lessons and really cool stuff hidden in the pages of the Bible than through a new almanac style full-colour book? This highly designed colourful reference book will engage kids with hundreds of lists, timelines, quizzes, maps and other captivating details about Biblical times and the people and stories of the Bible itself.

Customer Reviews

I once purchased quite a few of these books as parts of a gift package for my children's church promotion. So now I needed another copy for myself. Wonderful book.

Saw this book first in a supermarket book section and bought it out of curiosity. Found it to be exactly as described, saw its potential as a teaching tool and quickly ordered more from for my students and for my grandchildren as gifts. This book has an interesting format; it can be opened to any section for browsing, offering the reader information that makes the Bible come alive. I found it to be highly informative and not necessarily just for kids

This book is a treasure! They should have titled it for adults and kids ! Hard to stop reading ,lots of facts I didn't know! Love it ! Highly recommend this to everyone .

Amazing for adults also!

All you could hope for for young people to learn about the most important book in the world, the Bible.

loved it

Very informative for all ages.

This is a great book for sharing with friends, but I took it on a ladies retreat from my church and we enjoyed it just as much as the kids do! Great book.
