Customer Reviews

This early CSB has presented here the undiluted truth of Christian Science and what is called its "treatment" or means of healing as prescribed by Mrs. Eddy. An excellent source book. If you like his ideas I might suggest you read Martha Wilcox: "Association Notes, as B. Young was her teacher. Available in Kindle format.

Wonderfully insightful writings and lectures by a wonderful man. Mr. Young was a dedicated healer who was introduced to Christian Science and became a towering example of a dedicated Christian who spent his life helping and healing others through prayer and love.

Really enjoyed the spiritual insight of Bicknell Young as evidenced in his writings. He writes in a clear prose.

Bicknell goes to the core of Christian Science teaching and practice. This is a marvelous example of his clear Sight!

The first chapter on Practice is written as if Bicknell were right there with you teaching. The others are polished. I highly recommend.

This is a wonderful collection of writings by an individual that demonstrated what he wrote.

Excellent clear sighted spiritual thinking Well written.

Excellent, inspirational and healing.
