It's Only One Semester Fall 2017: 6 Month College/High School Student Planner. Prioritize Classes And Activities. Calendars, Blank Lists, Graphs, ... Exams, Contacts. (Life Planner) (Volume 2)

Synopsis

It's only one semester: This is the Fall 2017 version. See the author page for the undated version and other dated versions available. The student planner for your inner rebel! You're a creative student. You need the flexibility to record your schedule of classes and activities in the way that works best for you. Plan one semester at a time, and avoid being overwhelmed. A variety of blank lists, graphs and boxes make this ideal for the student who loves to doodle, create and organize. Class pages track projects, labs, exams and contact information. Calendars have extra pages for the weeks surrounding each semester. There are no suggestions for what to put in what box (other than the form for your individual classes.) Since you might possibly want to pass those classes, it might be a good idea to fill in the requirements. No pressure. It's your life. Sadly, we simply couldn't get around the fact that there are seven days in a week, and they all have names. But you can rename them if you want. See the back cover and/or the "Look Inside" feature to see the individual forms.

Customer Reviews

As a person who has a strong bent towards creativity and spontaneity, but also one who knows they need a planner to "get stuff done" and be productive, I love the layout and content of the Student Planner. For me it has just enough structure to help me be more intentional. But it also has enough "free space" for me to be creative as I brainstorm and dream. I can draw my thoughts out or write them out, whatever works best for me at any given moment."Jerome

Â "Finally, a planner tailored for a college student's semester. Too often, college students only use a portion of a planner. This planner is for a semester and offers the student several options, including a weekly overview, daily plans, weekly plans, and monthly plans. Furthermore, it leaves room for the creative mind to plan in an out-of-the box way. The proceeds are to provide for Joy's Food Drop ministry."Dr. Michael Brennan Associate ProfessorApplied Music StudiesLiberty University
