The Wiersbe Bible Study Series: Philippians: Even When Things Go Wrong, You Can Have Joy

Synopsis

Unlock the treasure of the "joy epistle," which pinpoints the joy-stealers in life and shows why you don't need to be anxious. Like us, the believers at Philippi needed to understand what it means to be joyful in Christ, no matter what the circumstances may be. However, God wants us to discover the secret of true joy and contentment by living in His will. Written in a personal, easy-to-understand style, join Dr. Warren Wiersbe, trusted pastor and respected Bible teacher, as he leads you on a journey to opening your mind and heart to the riches of God in the Wiersbe Bible Study Series.

Customer Reviews

This is the second Wiersbe book I have tried and I guess I am not geared for online download books viewed on a tablet. Too much back and forth from one app to the other to do a study like this. I lose too much focus and forget where I was in the book or the Bible going back and forth. I guess I

am more of an actual physical book in front of me kind of person.

The book of Phillipians is one of my favorite, this study brought so much more understanding of the joy that can be found in any and all circumstances and what contentment can look like.

We purchased this eight week Bible study for a young friend who wanted to learn more about how to live for the Lord and what that entails. Romans is a great place to start for that purpose. Romans is a profound book of the Bible that should be studied in depth. This book meets our expectations and is exactly as described in the description (be sure to click the "more" button). It is easy to read, understand, and asks questions in such a way to encourage in depth learning. We liked this study so much, my husband purchased one for a group study he leads.

Great for group study

A LITTLE WEAK

A very helpful look showing how Christians can make joy a more consistent part of their daily experience, based on Paul's attitude and thinking.

One of the best Bible Studies in Romans. Have used it in Ladies Bible Studies for several years.

All the Wiersbe study guides are the best.
