Italian Short Stories For Beginners: 8 Provocative Short Stories To Learn Italian By Reading Fun Tales

Synopsis

Do you know what's the most popular, breakthrough way of learning a new language nowadays? There's something that's for sure: you already know it isn't common, old-fashioned type of language learning books. Those are incredibly boring and outdated. But there's so much more than that. Today, the most popular, hustle-free way of learning a foreign language is this: by reading short stories, fun tales, and captivating narratives that keep you hooked from beginning to end. Do we have your attention already? Great. Because that's exactly what this book is about. Captivating stories + Italian language = learn faster. The best thing about using short stories to learn foreign languages is that you actually learn without realizing you're doing it. Think for a second, when was the last time you learned something new without much effort on your part? When was the last time you actually enjoyed the learning process and were eager to keep advancing, page after page, having fun the whole time? Most likely than not, it's tough to recall feeling like that. That's why learning Italian with short stories is catching up so much momentum lately: it works, it's fun, and it's pretty much hustle-free. In this volume you'll find eight exciting short stories intended for beginners and low intermediate Italian learners. They've been prepared for A1, A2, and B1 levels of the CEFR (Common European Framework of Reference). You just have to focus on one story at a time and start listening. The stories deal around multiple genres, including mystery, adventure, fantasy, and romance and take place in Italy. We've prepared these tales to keep you entertained and motivated to continue listening until the very end of each story.
