Customer Reviews

I am a huge fan of Harry Potter since the first books came out. I am planning on getting these every year now. Dont know why I never thought of it before. I love all the photos. Makes me cry because its over. Time to go reread the books now.

I'm glad that just because the Harry Potter Movies/Books are done you are still able to get a calendar every year (so far). I do a Potter Movie marathon every year the week of Christmas

Gave to my 12 y.o. daughter who loves everything Harry Potter. She likes that each month shows more than one picture and that some of the pictures are from behind the scenes of filming.

A calendar that any Potter fan would love. I like several of her images are photos behind the scenes, and funds with some of the Deathly Hallows. I really loved it!

the squares could be bigger for if you want to write something, love the pictures

It was ok, pretty lightweight paper that came out of the staples easily so that was disappointing but great otherwise

If you're a Harry Potter fan, you'll love the calendar with movie and behind the scene shots.

I requested it on my Christmas list and didn't get it. Ordered it myself. Yes I love it. Thank you
