

Journey To Bethlehem Advent Calendar

Synopsis

Follow the story of Mary and Joseph's journey to Bethlehem, their search for a room at the inn and discovery of the humble stable, and the blessed birth of the Christ Child. Behind each of the twenty-four windows in this unusual Advent calendar lies a picture illustrating one step in the Holy Family's story, along with text on the inside of the window describing the event. The Journey to Bethlehem Advent Calendar is a wonderful way for families to celebrate the miracle of Christmas amid the hustle and bustle of holiday preparations.

Customer Reviews

Nice to have a Christian Advent calendar. Only problem with this one is the design (very beautiful) has the 3 Kings.....they only came on the scene AFTER the birth of Christ.Would love to have the company's artists create a scene with the travel to Bethlehem, and then ONLY on the last window On the eve of Christmas, a picture of the crib. The crib with the Holy Child does not appear in the Christmas Story until Christmas! An Advent calendar with either the child Jesus or the Kings is absolutely MEANINGLESS and it removes all the explanations to our children on the meaning of Advent and their excitement on opening a daily window with a little suitable text.

These get a lot of use at our house. After years of use our last one wore out. This one arrived promptly after ordering and in perfect condition. I added a heavy piece of cardboard to the back of it for sturdiness hoping to help it survive the years of constant Christmas use it will get. Beautiful

pictures, nice and child friendly story, plus it looks nice wherever you hang it.

This paper 11 x 14 calendar reminds me of the kind we had as kids and that you can't seem to find in stores anymore. There are 24 paper window flaps that you open; one for each day, and there is a picture and part of the Bible story under each flap. This is affordable and pretty. Recommended.

nice for children around 10 years old, but not like the ones that are made in Germany

Love the design of this advent calendar, it's one we will be able to use for years.

Lovely.... bought for my Nephew's & Nieces' young families as an intro to the REAL & True meaning of Christmas!.

Beautiful picture, but flimsy construction. Hoping it lasts a couple of years. It wasn't worth the price I paid.

Fantastic product. I have purchased from Vermont for the past several years and have never been dissatisfied with any of their products. I would recommend any of their calendars.
