Customer Reviews

This is a beautiful quality calendar. It is printed on linen embossed paper, and comes in a sleeve instead of the regular shrink wrap and cardboard. The paintings are absolutely beautiful. She does them in pastel which is a difficult medium, but it makes them soft and delicate. She has a personal little piece of information under each painting which I really love. The calendar squares are very large and are great for writing on.

This is a beautiful, beautiful calendar! I am a lifelong horse person and collector - and I am very picky! This calendar is very nicely made with good paper products and fine rendition. I do however wish the surface wasn't so slick - makes it difficult to write in appointments with a regular pen. But if it is not your working calendar - it is a joy!

The calendar pages are hard to write on - I ended up having to use a magic marker instead of a pen. It's a beautiful calendar though.

so beautiful. I bought several for the others in the barn, and everyone like them. Then I bought one for myself. Then I bought one for another horse friend, and my daughter.

Every year, I purchase this calendar for two of my horse-owning friends. I used to purchase one for myself, but had to put my horse to sleep at age 29 and to see these beautiful horses gives me heartache having owned him for 26 of his 29 years, but I do appreciate the artwork. Amazing!!!!

Beautiful artwork, but the shiny pages are almost impossible to write on, which is the main reason I buy a wall calendar.

Love all Leslie Harrison calendars, especially the Horses!!

Love Leslie Harrison's paintings!!!! I've had one for the past 12 years!:)
