A World Without Princes: The School For Good And Evil, Book 2

Synopsis

In the epic sequel to the New York Times best-selling novel *The School for Good and Evil*, Sophie and Agatha are home, living out their Ever After. But life isn't quite the fairy tale they expected. When Agatha secretly wishes she'd chosen a different happy ending, she reopens the gates to the School for Good and Evil. But the world she and Sophie once knew has changed. Witches and princesses, warlocks and princes are no longer enemies. New bonds are forming; old bonds are being shattered. But underneath this uneasy arrangement, a war is brewing and a dangerous enemy rises. As Agatha and Sophie battle to restore peace, an unexpected threat could destroy everything, and everyone, they love - and this time, it comes from within. Soman Chainani has created a spectacular world that Newbery Honor-winning author Ann M. Martin calls "a fairy tale like no other, complete with romance, magic, and humor that will keep you turning pages until the end."

Customer Reviews

I am still crying from the end. Sophie and Agatha just have miscommunication and that results to them being ripped apart by BOYS. How could boys come between a friendship? No matter what if my friend lied to me at all I would still choose friendship instead of a BOY. I relate more to Sophie. I am always conflicting with myself between good and evil. My friends are the only ones keeping my good side winning and if all of them left me I would be consumed by evil. I still can believe this outrageous yet ingenious ending

This book delivered on love humor friendship and twists and surprises at every chapter ! If you enjoyed the first book do not waste time in grabbing this sequel.

First book was read a while ago by my daughter who decided that she always wanted to know what the second part would be about so now she knows! And yes according to her it is a good read!

OMG! This book couldn't get any better! I was excited to read it after the first book, but I never expected what happened. This book is absolutely terrific. It seemed that it was only Agathas wish to worry about. Guess what? Wrong! Totally recommend this book! :)

Great book! Once you read the first one, you will want to read the others too. Another hard to put down book. Even though I'm an adult, I still loved these books. I picked up the first one in a store, and had to get the rest of them. You will get lost in this one, just like I did.

I chose this rating because this book (and series) has everything I would EVER want!!

Suspence,romance,gor,and DRAMA!!!!!!Ã Ä Å—Ä¿Ã Ä Å•Ã Ä Å~Ã Ä Å'Ä„Ã Ä Å^Ä >.<
also, comedy!!!! Love it!!!

Product as advertise and fast shipping.

It was a gift for my granddaughter
