Dave Worman, author of the best-selling book, "Motivating With Sales Contests," has been dubbed "Master Motivator" by colleagues and leaders throughout the industry of telephone sales and service. His unique motivational ideas and programs are producing record-breaking results in business-to-business, consumer telemarketing throughout the world. Corporate experience includes executive positions at USA Today, Diebold Incorporated, and Reliable Office Supplies, where his creative motivational methods have dramatically increased performance and reduced turnover. Dave is often requested for presentations, seminars and workshops at conferences across North America, and privately consults with companies on telemarketing start ups, compensation,

incentive programs and motivational game plans. He shares these same proven ideas with you in this book.

Lots of good suggestions, but missing one - FantasySalesTeam enables companies to run sales contests based on fantasy sports. According to Richardson, FantasySalesTeam "mimics that of your very own Fantasy Football Leagues, but instead of tracking touchdowns, you can track performance, productivity, and sales team engagement."
