The Key To Extraordinary

Synopsis

The highly anticipated new standalone novel from rising star Natalie Lloyd! There's a lot Emma wants to tell her mother about: her job leading cemetery walking tours, her new drum set, and the fact that the town's most famous ghost, the Morning Glory, seems to be trying to send Emma a message. But Emma can't share any of this, because Emma's mom is dead. Luckily there's a loophole. The women in Emma's family all have a special destiny that comes to them in the form of a dream, and when they finally achieve this destiny, they're rewarded with a vision of all their extraordinary ancestors. Emma has spent her whole life waiting to discover her destiny and maybe see her mom again, even if just for a moment. But the dream never comes.... Just when she's about to give up, she learns that the Morning Glory is sending her messages, hints about a secret in Emma's family that could change everything. But can she solve the mystery in time to prove her destiny...and say a final farewell to the mother who was taken from her too soon?

Customer Reviews

Just like A SNICKER OF MAGIC, this book made me laugh and it made me cry. The way Emma did everything she could to save her family's bakery made me root for her throughout the entire story. The way she longed for her "Destiny Dream" to happen filled me with hope, and the way she reached out to Earl with friendship moved me with compassion as I thought about how there are many people I encounter like Earl all the time, that perhaps, I just pass right by. And the fact that Emma lost her mother years earlier made me imagine how unbelievably painful it must be for a child to lose a parent. Do you remember in A SNICKER OF MAGIC how certain ice cream

flavors made you feel a certain emotion? Well, that very cool and almost magical concept is kind of in KEY TO EXTRAORDINARY with the hot chocolate, known as BONEYARD BREW. AND I LOVE IT! What I would give to pop into the Boneyard Caf  , and sit down with Emma and Cody Belle and Earl        If you love delightful Middle Grade fiction with colorful and humorous characters facing real life problems and challenges, and perhaps even a dash of magic, then you will most likely love THE KEY TO EXTRAORDINARY. Like hot chocolate and freshly baked muffins? Treasure? New friendships?GO AHEAD THEN!

"Never doubt your starry aim"Emma Pearl Casey can't wait to have her Destiny Dream to find out her life's meaning. She's hoping it will fill up the emptiness in her heart & take her on a fantastic journey. Readers will go on a magical journey with Emma. Natalie Lloyd's words are full of magic & hope. The story is a lyrical masterpiece flowing from one chapter to the next. The craft in this book is exceptional! Emma's story is sure to inspire many readers to find their own starry destiny! If nothing else, it'll leave you wanting a Boneyard Brew & peach-lavender muffin!

I read this book because my son, who is nine, was wildly enthusiastic about it. We both agree that it is a great read with a clear message of finding joy even though bad things happen to us all sometimes. Highly recommend for kids and their parents!! Hoping it is made into a movie too.
