I love Pusheen. She is the cat that represents most of us: she watches Netflix, eats junk food, lies around on the weekend—sometimes all at once. This calendar is the same 12" x 12" size as last year; which expands to 12" W x 24" H when opened up. It's printed on quality paper and won't rip when you're flipping the pages every month. There is one image to represent September to December 2016, and you get twelve new images for the twelve months of 2017. The calendar is shipped with a piece cardboard inside to prevent bending during shipment. My only minor issue is that the twelve stickers you get are exactly the same as last year. I was hoping for different ones to stick on different things. The stickers are still a bonus so I'm glad to have this extra. If you love Pusheen (and how can you not?), get this calendar for 2017. Recommended.

Honestly hard to tell if I like it since I saw fit to fold it in two and stuff it in a small box along with smaller items. Big crease through the middle. Pictures are pretty much same as last year's calendar. If you liked 2016 Pusheen calendar then you should like this one.

This calendar is a must have for any Pusheen fan! The images are super cute and the card stock seems durable and well made. The first page has September - December 2016 printed on it so you don't have to wait until January to hang it. The best part is the sticker sheet! They are definitely collectible, as I haven't seen any like it available yet. If you love all things Pusheen you will love this calendar!

Pictures are cute, but the pages are SUPER thin. I bought these as a gift, and planned to pen our vacation dates inside (the vacation is a surprise) but had to write it on a sticky and tape it inside instead, so I didn't ruin the picture on the next page.

Very cute! I was a little worried after reading in reviews how the calendar had arrived bent and twisted in their mail boxes. Still... how can anyone resist Pusheen? I decided to take a chance. I ordered it on Friday and it arrived today, Monday. Sweet! I was pleased to see it came in a large box - when I took it out, it didn't have any creases or bent marks. Not sure if they paid attention to reviews or if I just got lucky but I'm glad I decided to get it. The paper is heavier than most calendars, not thin at all. I LOVE how cute the illustrations are, Pusheen always makes me smile! My grandma loves cats so I'm going to get one for her too, lol!

As always, Pusheen comes through with another great calendar. My daughter fell in love with Pusheen when she was just a young teen. Even as a young adult now, Pusheen still is the #1 cat for her. This is an annual purchase for us, as a holiday gift, Pusheen never disappoints.

I really like the different pictures for each month. They're cute. The package came in safely in one piece. At first, I was worried about the people dealing with the packing would bend the calendar in half to fit it in the box, but thank goodness it was not bent. The stickers are the same from its precedent calendars which made me quite bummed out though.

If you are familiar with Pusheen this will be a welcome surprise. Each month has Pusheen in the middle of some of her antics. If you are expecting new original art this is not going to satisfy that itch. The calendar has images which have already been released and made their way around the internet. This was not a problem for me. The paper is decent, it is not so plastic you can't write on it, but it isn't printed on regular cheap paper either. It is a standard soft cover calendar. This cute poster also comes with some fun Pusheen stickers.
