Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

Nice calendar but I wish the front page was the same material as the inside. It has a gloss which isn't good to write on where the inside is nice parchment paper. I'd give five stars if the pages were thicker. You can see the writing through them.

great gift
